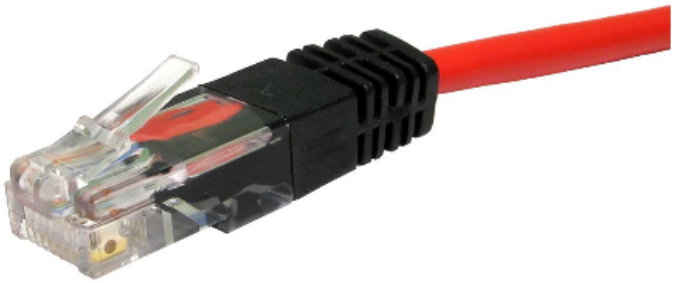
Cat5e Crossover Patch Cable

Details correct on: 01/12/2014



Notification	
Product Code	XXURT-610R
Short Description	Cat5e UTP Crossover, Red, 10Mtr
Full Description	Category 5e cable is a twisted pair high signal integrity cable type often referred to as Cat5e. Most cables are unshielded, relying on the twisted pair design for noise rejection, some are shielded. Often used in computer networks such as Ethernet. Crossover cables are designed for connecting two computers together without a switch (or linking switches together)
